STRATEGIC RENEWAL

A Resilient Church for **the Next Generation**

Advancing the Vision of 100,000 Agents of Renewal by 2030

2026 Year-End Strategic Investment Opportunity

THE MOMENT BEFORE US

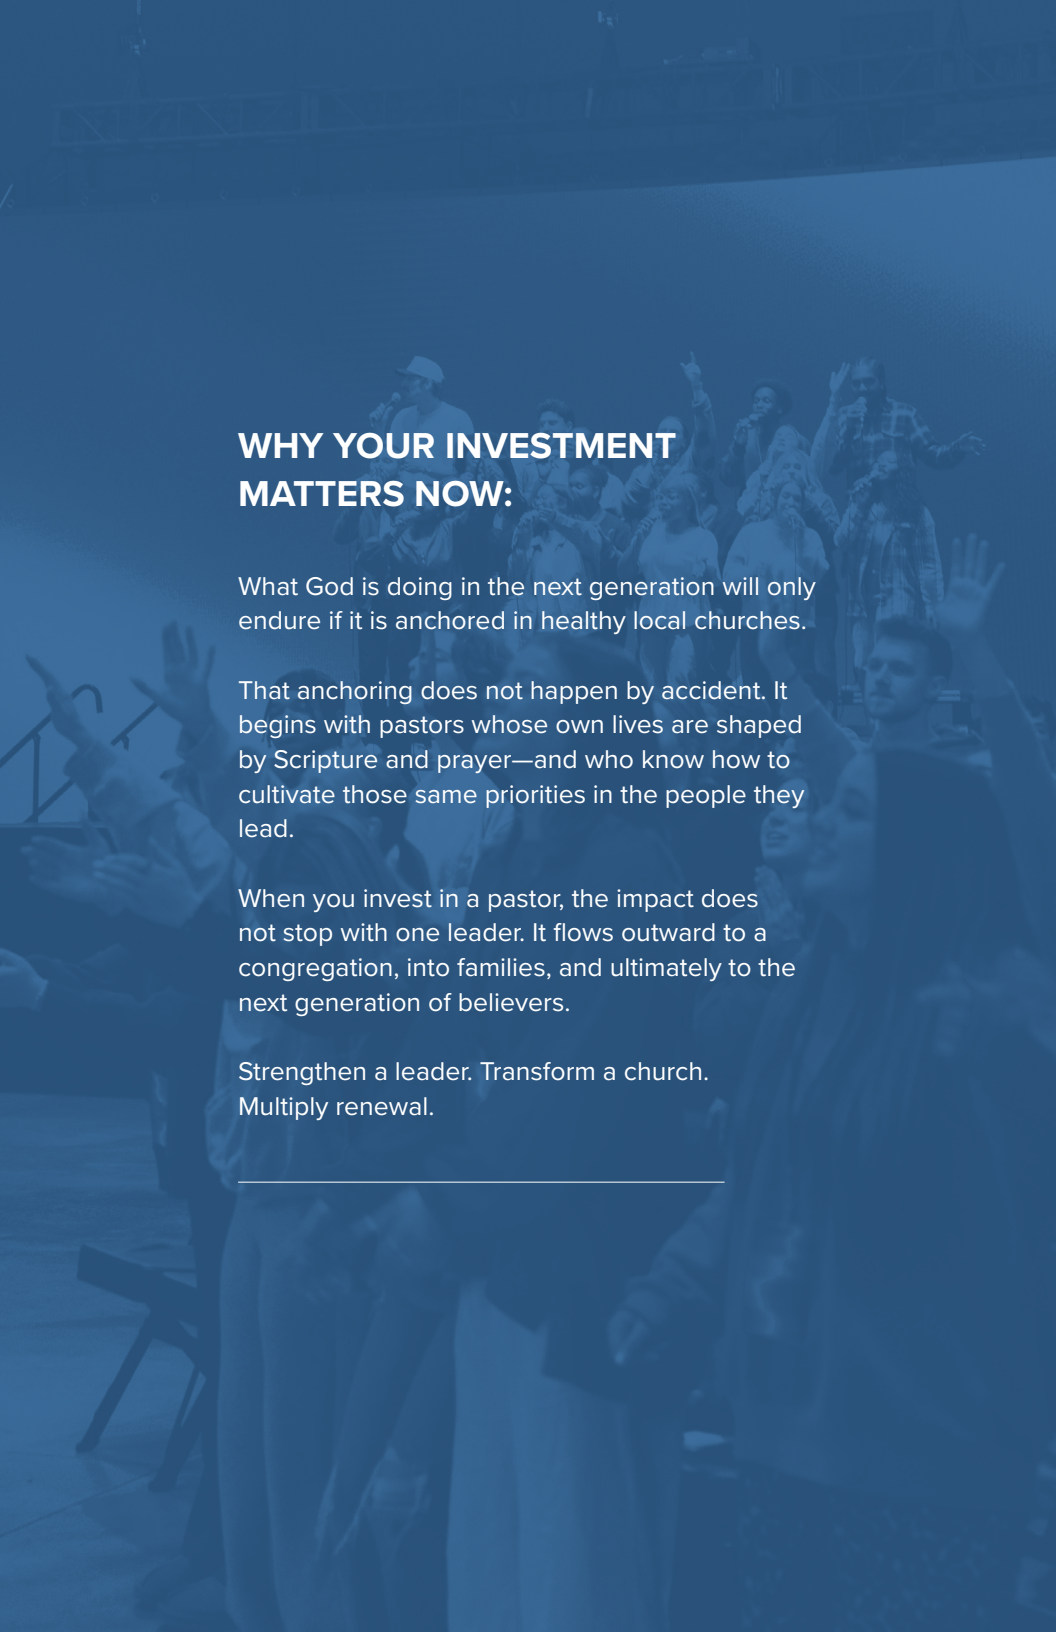
As 2026 draws to a close, we are grateful for all God has done—and deeply aware of the opportunity before us.

Across campuses, churches, and prayer gatherings, young people are showing a renewed openness to Scripture, prayer, and the gospel. Yet spiritual interest alone does not create lasting disciples.

Awakening needs roots. It needs healthy local churches. And healthy churches need pastors who are deeply devoted to prayer and the ministry of the Word.

That is why Strategic Renewal exists: to strengthen pastors and churches around biblical priorities that cultivate lasting renewal.

As we look toward 2027, you can help ensure that what God is stirring in this generation becomes enduring fruit.



WHY YOUR INVESTMENT MATTERS NOW:

What God is doing in the next generation will only endure if it is anchored in healthy local churches.

That anchoring does not happen by accident. It begins with pastors whose own lives are shaped by Scripture and prayer—and who know how to cultivate those same priorities in the people they lead.

When you invest in a pastor, the impact does not stop with one leader. It flows outward to a congregation, into families, and ultimately to the next generation of believers.

Strengthen a leader. Transform a church. Multiply renewal.

Investment Opportunity:

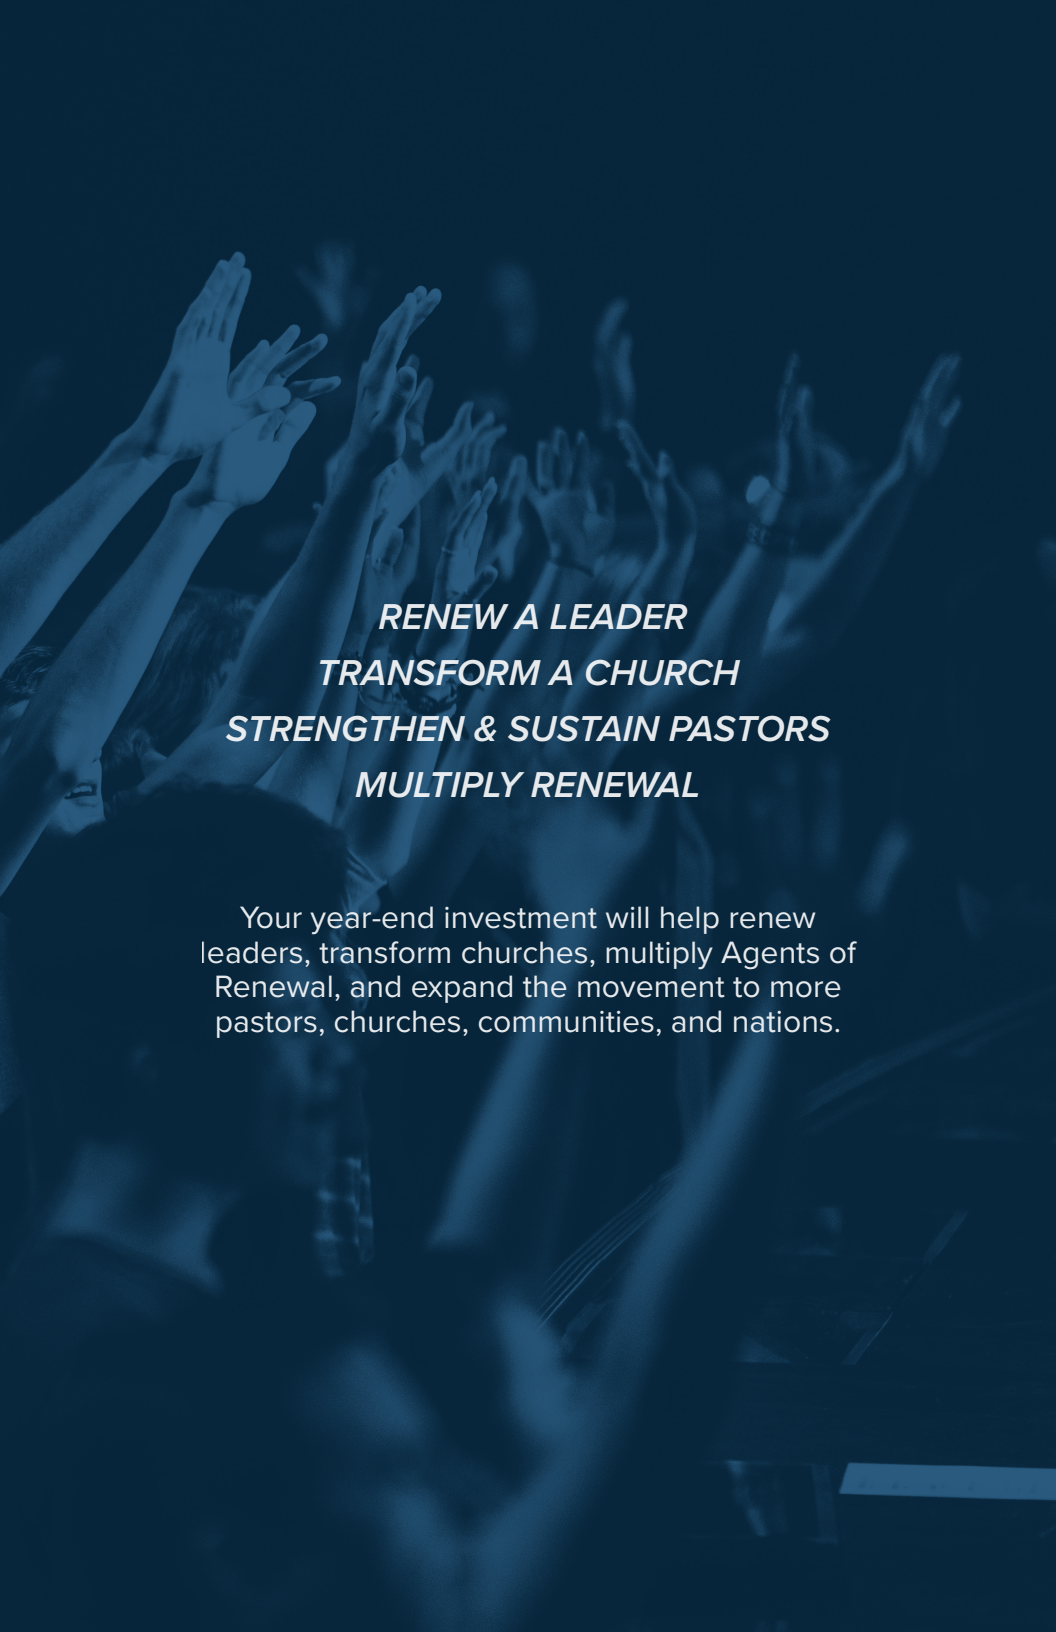
Together, we can enter 2027 ready to take the next step toward 100,000 Agents of Renewal by 2030.



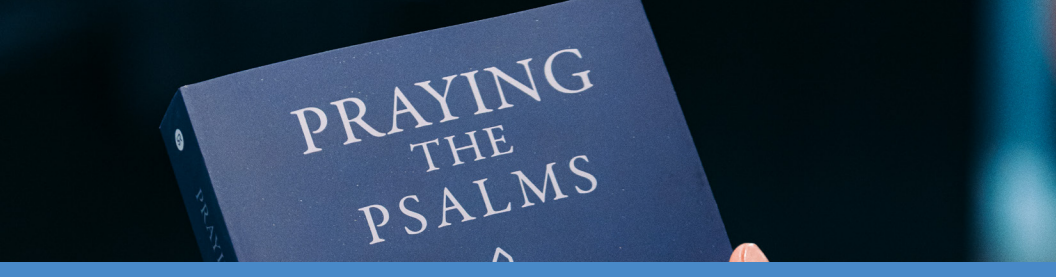
RENEW A LEADER
TRANSFORM A CHURCH
STRENGTHEN & SUSTAIN PASTORS
MULTIPLY RENEWAL

Your year-end investment will help renew leaders, transform churches, multiply Agents of Renewal, and expand the movement to more pastors, churches, communities, and nations.

RENEW A LEADER

Pastors cannot lead churches into a culture of prayer they are not personally living.

Your investment helps emerging and established leaders become deeply rooted in Scripture-fed, Spirit-led, worship-based prayer.



Place Scripture-Fed Prayer in the Hands of Emerging Leaders

Praying the Psalms gives students and emerging leaders a practical way to encounter God through His Word and develop a life of biblical prayer.

Your Gift Can:

Place this formative prayer resource directly into the hands of young leaders hungry for God in 2027.

$5 provides one student with Praying the Psalms.

Give a Young Pastor a Formational Prayer Experience

Prayer Culture Immersion gives carefully selected young pastors and seminary students an intensive experience in biblical, corporate prayer—formation they can carry back into their ministries and churches.

Your Gift Can:

Remove the financial barrier for a young pastor to participate in 2027.

$1,650 provides transportation, lodging, meals, resources, and training for one participant. $8,250 provides five scholarships. $82,500 provides 50 scholarships. A year-end gift today helps ensure these opportunities are ready for pastors in 2027.

TRANSFORM A CHURCH

Personal renewal is the beginning—not the destination.

Pastors need practical ways to move prayer from a ministry activity to the spiritual culture of the church.

Mobilize a Church to Pray for the Next Generation

21 Days of Prayer for the Next Generation gives congregations a simple, Scripture-guided pathway to pray intentionally for young people and deepen a culture of intercession, discipleship, and spiritual responsibility.

Your Gift Can:

Help equip churches in 2027 to cover the next generation in sustained, biblical prayer.

From Renewed Leaders to **Resilient Churches**

The goal is not simply to provide pastors with more content. It is to help leaders live biblical priorities, cultivate those priorities in their churches, and multiply them through others.

Strategic Renewal walks with pastors through coaching, relationships, resources, and ongoing encouragement—so renewal becomes a way of life rather than a one-time experience.

RENEW → CULTIVATE → EQUIP → MULTIPLY

Your investment helps pastors take the next faithful step—and bring others with them.

STRENGTHEN AND SUSTAIN PASTORS

Pastors need more than a moment of inspiration.

They need formation, trusted relationships, practical help, and a community that will encourage them to remain faithful to prayer and the ministry of the Word.

Help a Pastor Grow as a Praying Leader

Praying Leader Coaching provides focused formation, practical tools, and accountability that help pastors deepen their personal prayer lives and lead from biblical priorities.

Your Gift Can:

Provide 2027 coaching scholarships for pastors—especially those serving smaller churches—while expanding the resources and leadership needed to serve more leaders effectively.

Give Pastors Life-Giving Community

The 6:4 Fellowship surrounds pastors with leaders and peers who share their commitment to prayer and the Word. Regional leadership, RECLAIM gatherings, marriage support, retreats, and restorative spaces help sustain pastors not only in ministry, but in their lives, marriages, and calling.

Your Gift Can:

Help pastors connect, refresh, strengthen their marriages, and remain resilient for long-term ministry in 2027.

MULTIPLY RENEWAL

A resilient church is not built by one praying pastor alone.

Renewal deepens as believers learn to seek God through His Word and begin leading others to do the same.

Equip 6:3 Disciples

Coaching, discipleship resources, prayer summits, and targeted initiatives help men and women throughout the church grow in prayer and become active participants in cultivating a spiritually healthy congregation.

Your Gift Can:

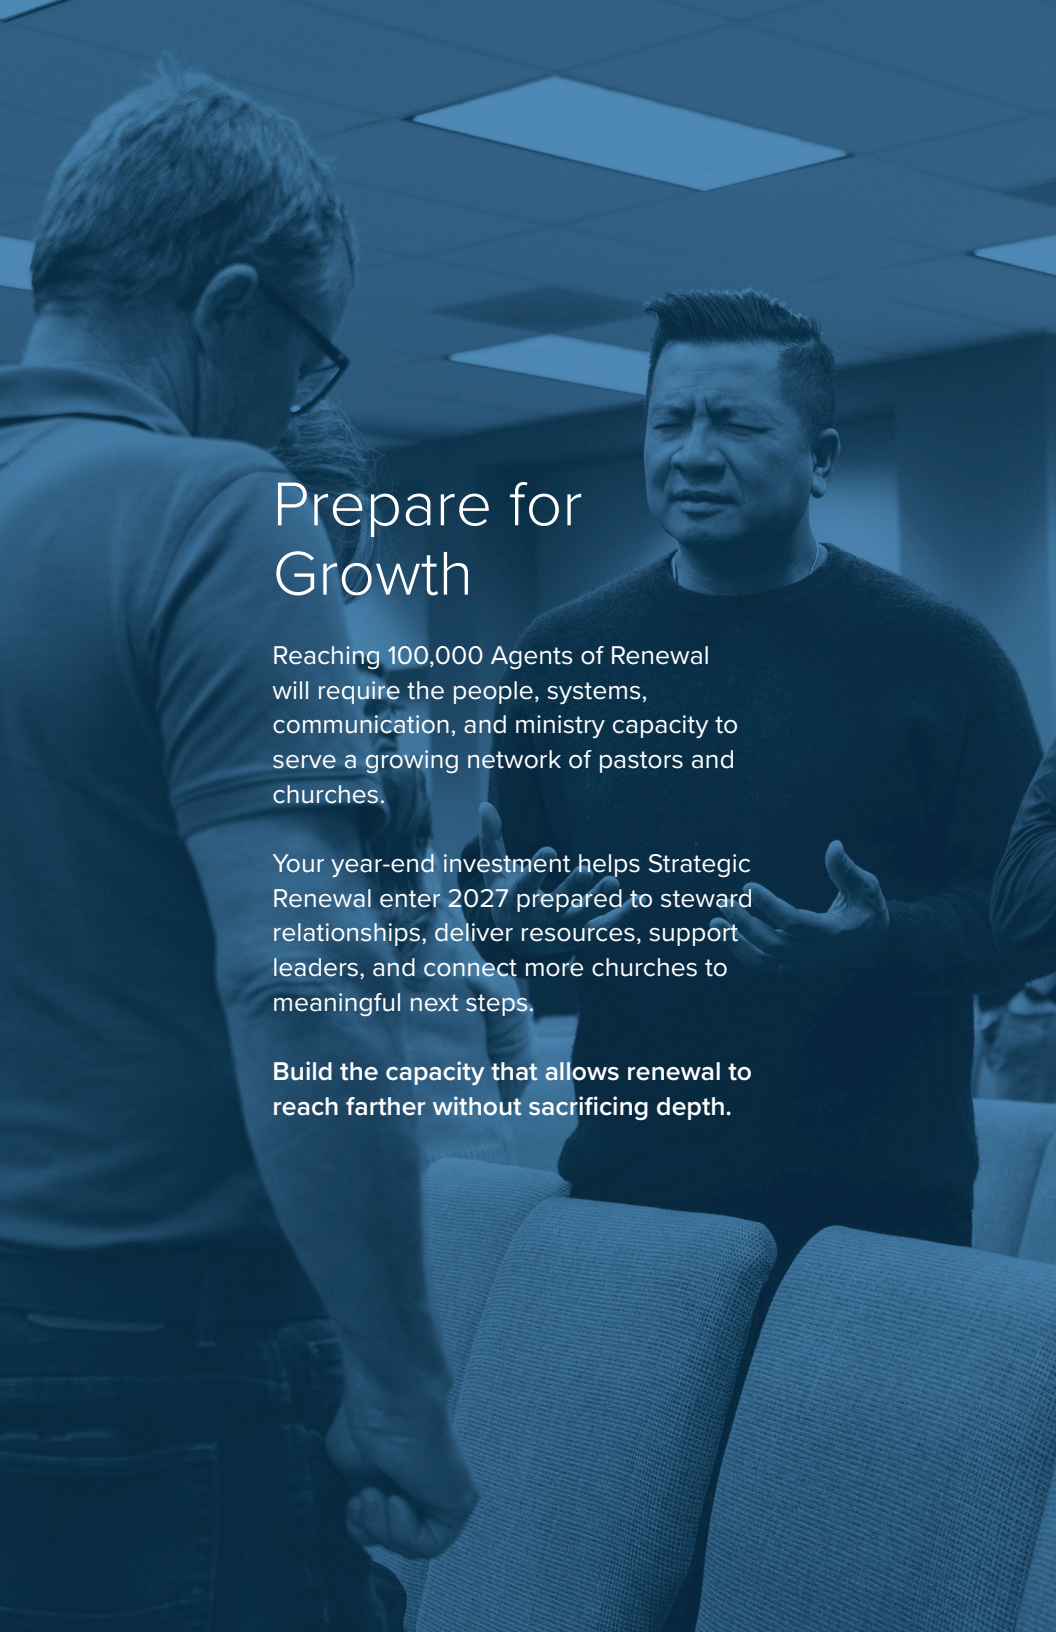
Equip believers in 2027 to deepen their walk with Christ, lead others in Scripture-fed prayer, and help multiply a culture of renewal throughout their church.

Expand the Movement Around the World

Pastors and churches around the world are hungry for biblical resources in their own languages. Translation and global distribution make proven prayer resources accessible to leaders who can carry them into their churches and communities.

Your Gift Can:

Put prayer resources into the hands of leaders in their native languages and extend the movement of pastoral strengthening around the world in 2027.



Prepare for Growth

Reaching 100,000 Agents of Renewal will require the people, systems, communication, and ministry capacity to serve a growing network of pastors and churches.

Your year-end investment helps Strategic Renewal enter 2027 prepared to steward relationships, deliver resources, support leaders, and connect more churches to meaningful next steps.

Build the capacity that allows renewal to reach farther without sacrificing depth.

CAPACITY THAT EXTENDS IMPACT IN 2027

Reach More Leaders

Effective communication, marketing, digital tools, and website development help new pastors and ministry partners discover resources and take meaningful next steps into the Strategic Renewal pathway.

Serve a Growing Network

As the ministry reaches more pastors, churches, regions, and nations, the team must grow in its ability to steward relationships, deliver resources, coordinate events, and support an expanding network of leaders.

Deepen Strategic Relationships

Regional gatherings create space for ministry partners, board members, staff, and pastors, to build relationships, hear vision, experience the ministry, and engage more deeply in the mission.

Your Gift Can:

Help Strategic Renewal begin 2027 with the capacity and relationships needed to move the 100,000 Agents of Renewal vision forward with strength and sustainability.

Help Us Enter 2027 ***Ready to Multiply***

One pastor renewed.
One church transformed.
And from there, the impact **multiplies**.

Strategic Renewal has embraced a bold vision: **100,000 Agents of Renewal by December 31, 2030**.

But reaching 100,000 begins one leader at a time.
