OLD PATHS NEW POWER

*Awaken Your Church Through Prayer
and the Ministry of the Word*

DANIEL HENDERSON

THREE ENDORSEMENTS:

"As busy pastors, we can be distracted by many good things and incrementally drawn away from our core calling. We then reap a harvest of ineffectiveness, frustration, and spiritual mediocrity. Old Paths, New Power is a timely warning to choose that which God blesses and to order our lives and ministries around that which produces eternal results."

- CRAWFORD W. LORITTS JR.

"Daniel Henderson is one of the finest teachers I know. When he teaches on prayer he is unparalleled. In this masterful new volume, he invests all of the prayer treasure he has collected over a lifetime. When you finish reading it, you will eagerly get on your knees, and vow to never pray carelessly, casually, or complacently again."

- RICHARD BLACKABY

"Daniel's prophetic call to return to the old paths is a timely word for all of us who lead in the church. I believe this book will become a catalyst in the lives of pastors to start chasing after God and the power that can only come through prayer."

- LANCE WITT
