Letter From the President

Thank you!

You are bringing glory to Christ – right now and in all of eternity.

Let me explain. Did you know we are all called by God to the same amazing reality? Instinctively, some of us would say we are called to be a committed church leader, a faithful spouse, a godly parent, or an exemplary employee. But ultimately, we are called to “His eternal glory in Christ” (1 Peter 5:10).

Wow! Everything we do on this side of heaven matters in eternity. So, our hearts must be captivated, not just by the finish line, but by the throne of glory.

As we end 2023 under the banner of “Championing a Glorious Finish,” we naturally rejoice in the amazing points of impact we’ve experienced in 2023 (described in this year-end report). But, also, we look beyond. We embrace our mutual participation in Christ’s glory in all of eternity. That is the only scoreboard that matters, and **YOU** are contributing to countless spiritual victories and eternal rewards.

As you read this inspiring year-end report, which is a catalog of changed lives and transformed churches, I hope you will remember that the ministries of Strategic Renewal are **YOUR CONDUIT**. Your partnership flows to and through us to bless and equip pastors, revitalize countless churches, and inspire saints worldwide to experience powerful personal renewal.

We have remained focused on some strategic priorities, and your partnership has fueled the impact of these initiatives:

The **EXPANSION OF OUR MINISTRY TO THE PERSON IN THE PEW**

(through 63Discipleship.com) has allowed us to coach believers across North America in the critical guideposts of New Testament discipleship. We’ve also been able to place our Renewal Coaches in churches across the U.S. to teach the principles of worship-based prayer and lead various dynamic prayer experiences.

We've witnessed the **ACCELERATED GROWTH OF OUR VITAL COACHING MINISTRY TO CHURCH LEADERS**. Over 100 of the pastors we coached this year were church planters. Our groups in 2024 are already getting excellent traction. In recent years, we've been privileged to coach almost 800 pastors now leading prayer-and-word-powered churches. Imagine the impact! Beyond our usual coaching offerings, we've also trained an additional 4,000 church planters this year in partnership with the **SEND** Network (the largest church planting organization in the world).

We've facilitated the **DEEPENING OF LIFE-GIVING RELATIONSHIPS AMONG 6:4 PASTORS**. The Lord has added 1,283 new members to the 6:4 Fellowship (now representing 60 countries). This year, through our various Days of Renewal, weekly regional prayer calls, multiple Global Symposiums, and two pastors/wives retreats, we've connected church leaders to resources and relationships that profoundly strengthened them in the ministry. God has opened many doors for the **EXPONENTIAL EXPANSION OF OUR INTERNATIONAL IMPACT**. We hosted our first international gathering in Calgary, Alberta. Leaders from multiple language groups have approached us about our flagship resource, *Praying the Psalms*. This and other resources are being translated and distributed in Spanish, Mandarin, French, Ukrainian, Russian, Farsi, Arabic – and soon Japanese and Korean.

Finally, our **VIGOROUS INVESTMENT IN A NEW GENERATION OF LEADERS** has gone to a new level. Beyond our investment in church planters, we hosted our first prayer immersion experience for young leaders. We were blessed to underwrite the travel, lodging, meals, and training of over 50 carefully vetted seminarians and young pastors at the Brooklyn Tabernacle. It proved to be life-changing and served to establish a fresh trajectory for their lives and future ministries.

I am grateful to God for His amazing grace and favor in our ministry. We know He is pleased with our mission, which clearly aligns with His heart and is firmly rooted in His word. As part of our ministry family, you are participating in "His eternal glory in Christ."

I am thankful for our incredible board and staff. And I am grateful for you. Thank you for your faithful devotion through your prayers and partnership. You make it all possible – and it is all for His eternal glory in Christ.

Because of Him,

DANIEL HENDERSON
President/Founder – Strategic Renewal
Global Director – The 6:4 Fellowship

About Us

CHURCH IN CRISIS / 1997

In 1997, Strategic Renewal was birthed out of the overflow of Daniel Henderson's pastoral ministry in the local church. Daniel was no stranger to church tragedy in those days. Twice he followed a predecessor who morally disqualified himself and left behind a broken and dismayed group of people. Through these experiences, Daniel learned valuable principles for congregational turnaround and saw how prayer could restore and ignite the church to become an agent of transformation in the community.

FANNING THE FLAMES / 2007

In 2007, God turned a growing passion into a life calling for Daniel Henderson. Daniel's church sent him out as a "missionary" to ignite fires of revival in churches across the country. This began a season of intense writing, travel, and speaking, spreading the vision for what God could do through healthy, praying churches. Congregations across the country were hungry for the message of renewal and sought Daniel out as an authoritative and helpful voice.

MULTIPLYING THE MOVEMENT / 2010

In 2010, with a collection of 50 pastors from around the country, we began a pastoral fellowship centered around the supreme priorities of the early church leaders, "But we must give ourselves to prayer and to the ministry of the word" (Acts 6:4). The 6:4 Fellowship serves to call pastors to rise above the pragmatism, strategies, and social trends of our day, and calls leaders back to the things that bring lasting and supernatural impact.

GROWING NEW GENERATIONS / 2023

Today, Strategic Renewal, The 6:3 Discipleship, and The 6:4 Fellowship have added a focus point to the ministry work already being done. The reality of new generations arising calls for a new generation of church leaders who will make the first old thing the next new thing, and who will devote themselves and "their" disciples back to the pattern we see in Acts 6... the pattern we like to describe as $6:3 + 6:4 = 6:7$.

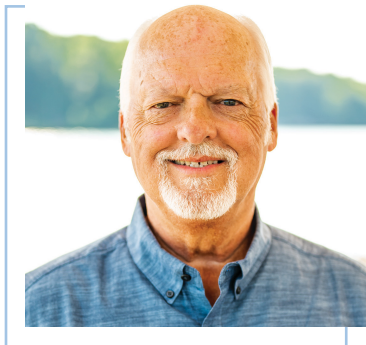

MISSION STATEMENT:

Strategic Renewal, and its ministries, exist to ignite the heart of the church through practicing and coaching Scripture-fed, Spirit-led, Worship-based prayer, and building up disciples like those described in Acts 6:3 who will join us in championing the ministries of pastors like those in Acts 6:4.

VISION STATEMENT:

To see the pattern $6:3 + 6:4 = 6:7$ become a reality of spiritual awakening in our world, by catalyzing the roots of revival in 100,000 lives and churches with the hope of experiencing the fruits of revival in our generation.

The 6:3 Discipleship

FROM THE DESK OF THE NATIONAL DIRECTOR, JUSTIN JEPPESEN

This past year has been one of growing the roots of The 6:3 Discipleship. We launched the year with a campaign to highlight our Renewal Coaching ministry. We currently have 11 coaches on the team and half of them have led one or more Transforming Weekends or Prayer Summits. Additionally, we are encouraged to see ministry opportunities with our Renewal Coaching team picking up this fall and are beginning to schedule into 2024.

By the end of the calendar year, we will have hosted two rounds of our Discipleship Guidepost coaching of Deeper Life, Transforming Prayer, Transforming Wisdom, and Transforming Presence. The Lord has used these cohorts to awaken dozens to the beauty of worship-based prayer and to bring fresh equipment and encouragement to Spirit-empowered service in the local church.

The Lord has also continued to open doors to the next generation by building prayer sidewalks where the footpaths already exist. We have been able to integrate our Transforming Prayer coaching into two different classes at the University of Northwestern in St. Paul, MN. One of the classes is the foundational ministry class that all Masters of Divinity students take, and we trust that this will help equip future generations of church leaders in worship-based prayer.

Lastly, we completed our next “21 Days” book, which is titled, *21 Days of Prayer for Your Church Leaders*. This resource is authored by our Strategic Renewal Board and Staff! We trust that, in 2024, the Lord will continue to bring Kingdom fruit as we partner together in prayer!

From standing-room-only morning prayer, to dynamic worship sessions, and all through life-giving prayer that edified all in attendance, Strategic Renewal's first international 6:7 Awakening gathering was tremendously uplifting and glorifying to God.

From May 30 - June 1, 2023, around 350 souls gathered in Calgary, Alberta, Canada for The 6:7 Awakening. We had the privilege of partnering with the local staff and body at Centre Street Church to put on this one-of-a-kind event.

The 6:4 Fellowship

FROM THE DESK OF THE NORTH AMERICAN DIRECTOR, DENNIS HENDERSON

Two words come to my mind to sum up 2023 – travel and connection. I traveled to 31 cities this year. Airports became my second home. My travels took me from Mexico to Canada, Seattle to Florida, California to New York and many places in the middle. This travel consisted of Days of Renewal, Reclaim Luncheons, Transforming Weekends, and speaking in various churches. Each of these events allowed leaders to connect with one another and has built a stronger base for 6:4 pastors.

New in 2023, our Reclaim Luncheons allowed us to minister to over 1,000 pastors across the country, with an additional 1,000 leaders making connections through our Days of Renewal and our conference in Calgary, Canada. We discovered in the Reclaim Luncheons a valuable pattern to continue in the years to come, which will be led by our Regional Directors.

Billie and I are closing out the year with another Couples Coaching Cohort. Ministry to couples is one of the most rewarding parts of my assignments. Keeping healthy marriages for our pastors is critical. In addition, we have been able to have two wonderful couples retreats this year in Jupiter, Florida and San Diego, California, for 52 couples. These have been underwritten by a generous donor who has a burden for ministry marriages. Finally, in October we hosted our largest Global Symposium to date, with 125 pastors.

Pastors Committed to Prayer-and-Word-Powered Ministry

Comunidad 6:4

Screenshot of 64fellowship.com/es

Since January our Spanish-speaking contingent has developed quite the following on their social media accounts @comunidad64 (Facebook) & @64comunidad (Instagram), including more than 400 followers on their Instagram account. This interest inspired a new membership for The 6:4 Fellowship.

We felt that it wasn't enough to just have a stale auto translator change the words on the current English pages, and so the task was undertaken to create a space for these members to feel at home and welcomed in not only their own language but also in their own culture. This includes local photographs of Hispanic church interaction, and limits on pages like Events and Resources that only show them what is relevant to those south of the border.

While the Latin America Region of The 6:4 Fellowship (Comunidad 6:4) includes South America and any other Spanish speaking 6:4 pastors, it is driven by its Regional Director who is located in Queretaro, Mexico. Though it was labor of love, as of the third quarter of 2023 those who speak Spanish have a membership, a Regional Director, a portion of our website, as well as resources all in their native tongue.

COMUNIDAD 
Pastores fortalecidos y comprometidos con el ministerio de la oración y la palabra

You may notice that the above shape of the 6:4 logo is slightly changed. This change was made because of our partnership with those who are, and will become part of the Spanish-Speaking Membership of The 6:4 Fellowship - or in their vernacular, Comunidad 6:4. Partnering with a designer in Queretaro, we created something familiar but not identical to the Anglo logo to lend to the idea that this is their fellowship, as much as it is ours.

Much of what is posted on the Facebook and Instagram accounts as well as on the web pages, is a partnership with those in Mexico and our communications team in the States. Our hope in this is that the content and graphics are a good representation of all those involved.

International Impact

FROM THE DESK OF THE INTERNATIONAL DIRECTOR, LEN CROWLEY

Internationally, the 6:4PRESS publication of *Praying the Psalms* has gone to another level. All five volumes, including all 150 psalms, have been assembled into a single book, the “Complete Volume.” *Praying the Psalms* contains an introduction to Scripture-fed, Spirit-led, Worship-based prayer, brief commentaries and prayer guides for each psalm, historical context about their development and use, and a comprehensive listing of the names of God used in this evocative Bible book.

As soon as this work became known to various ministry leaders, the Lord brought collaborators “out of the woodwork” to begin getting it into other native tongues. In 2023, our team has contracted to translate this entire work into seven languages: Chinese (Mandarin), Spanish, Russian, Ukrainian, Arabic, Farsi (Iran and Eastern Turkey), and Croatian (Vol. 1 only for a special event set for the summer of 2024). Spanish, Mandarin, Russian, and Ukrainian are already finished! Additionally, French and Japanese are in development, and interest for a Swahili version has just emerged.

In May, the brand new 6:4 ministry magazine, **SIX:SEVEN**, was introduced at our **6:7 Awakening**. This magazine was created as a means of introducing 6:4 as well as engaging pastors and supporters. It has quickly been enthusiastically received. Our intent is to publish two editions annually. Edition #2 has just arrived.

6:4 is becoming known and appreciated by pastors and church leaders, and we are beginning to see an acceleration internationally. In 2023, 50 new 6:4 members were added from outside North America, and there are now 6:4 pastors representing nearly 60 countries around the world.

Rencontre de prière en français

Not only do we now have a Spanish-speaking region, but 6:4 also has a Regional Director who leads his region in French.

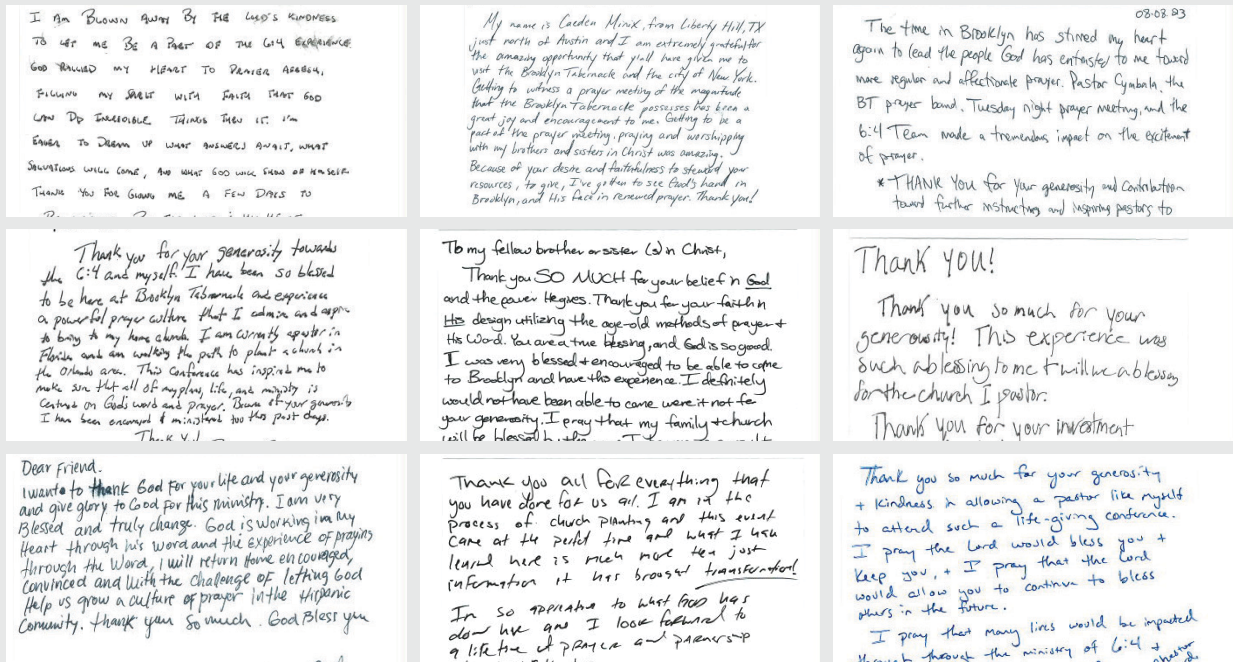

Though we have not gone so far as to make a French-speaking membership yet, this region serves any pastors who speak French and is conducted out of the Quebec Region, by Sylvio Jannelle.

Prayer Culture Immersion Experience

This past August, Strategic Renewal hosted more than 50 up-and-coming church leaders at The Brooklyn Tabernacle. Through generous donations, these young church plant pastors and seminarians were given resources, training, and a taste of what it means to build a church with a prayer culture.

We are greatly encouraged by the impact that this event had on those who attended. The gratitude was palpable in the room as you can see from the hand-written comments on this page. This experience played a major part in setting and/or changing the trajectory of the ministries to which God has called each of these men.

Please be in prayer for future versions of this experience, that they may bring similar impact to more and more pastors of the next generation!

Strategic Renewal

FROM THE DESK OF THE MINISTRY ADVANCEMENT DIRECTOR, JOHN MYERS

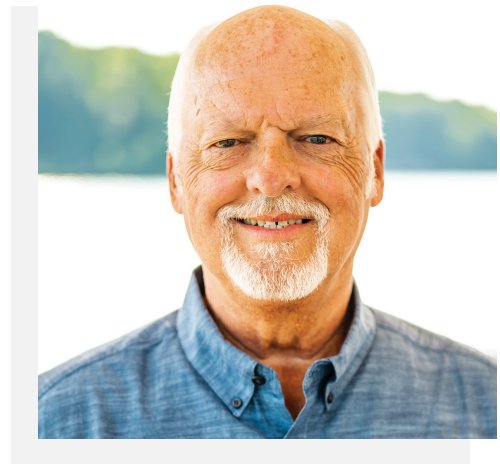

Wow, what a whirlwind these last 6 months have been. Very busy but **SO** rewarding. My journey with Strategic Renewal feels like it began with attending a Pastor's Conference at The Brooklyn Tabernacle in April. I was privileged to hear Daniel share, with passion & conviction, the need for each person in attendance to be committed to Scripture-fed, Spirit-led, Worship-based prayer! I then enjoyed the opportunity to sit in Jim Cymbala's office and just listen as he shared powerful one-liners from the decades of his ministry.

The next stop on this whirlwind was The 6:7 Awakening in Calgary. It was a joy to serve and meet many of Strategic Renewal's Board members as well as several donors. It was also an inspiring experience to take in all the truth from our speakers & National Leaders.

In between these events I've been working with Christa Henderson (by the way, she is amazing) updating our information systems and utilizing our DonorPerfect software. Calling and visiting with donors, to thank them for their gifts, gives me a wonderful opportunity to pray with them & for them. I love that part of what I do, as it deepens relationships.

Another important focus I have had since arriving is to do all we can to expand our reach to like-minded people who can help us fulfill our mission through partnering with us monthly. Our burden is to develop a system to help us generate more monthly partnerships, which is a huge task. I have also sought to create a more accessible Legacy Giving Platform, which is important for future ministry.

Overall the best highlight was to attend the Immersion Experience at the The Brooklyn Tabernacle in August. I was inspired to see these next generation pastors understand and commit themselves to Scripture-fed, Spirit-led, Worship-based prayer!

THE STRATEGIC RENEWAL APP

There are more than **FIVE THOUSAND** people who have the Strategic Renewal app, and that number is climbing every day. Beyond simply having it, there are an average of nearly 500 people using the app to watch or listen to our resources each month.

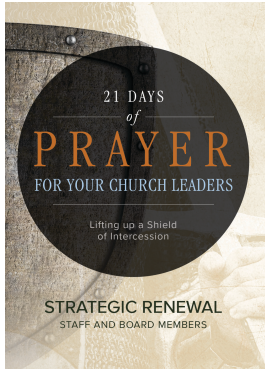

We have been adding resources to the app on a regular basis. Both disciples and pastors can access connecting points to the ministries of Strategic Renewal through the app.

NORTH AMERICAN GATHERING

JOIN US IN ATLANTA!

Strategic Renewal is excited to partner with First Baptist Church Woodstock to host our next Annual Gathering. This event will be prayer-driven, as is everything we do, and it will include aspects from across our ministries. The morning-time prayer gatherings will be set up and run like the Strategic Renewal Prayer Summits. The event will feature workshop tracks for both the 6:4 Leader (including a Spanish leader track) and the 6:3 Disciple. Themed **Gospel Resilience**, this event will be designed to remind the Church (both its leaders and its members) of our God-given ability to recover from setbacks, and to Champion a Glorious Finish in each other's lives. All of this, for the sake of supernatural gospel impact and ultimately the Glory of Christ.

FOR 6:4 LEADERS *REGIONAL REFRESHMENT!*

The 6:4 Fellowship's RECLAIM luncheons had a big impact on the lives of those who attended in 2023! Because of this, 6:4 is planning to continue these gatherings, on a regional level, to spread the word about The 6:4 Fellowship, and to rejuvenate (or create) a local community of like-minded pastors in each area across the country. If you a pastor, or know one, who is not involved in 6:4, please be on the lookout for these events coming to a region near you in 2024.
