REMEMBERING 2025

25TH ANNIVERSARY-YEAR MINISTRY REPORT

An Encouraging Word from Our Founder

On behalf of our entire Strategic Renewal team, thank you! Your generosity through our Strengthening Our Shepherds Campaign in 2025 was a tangible expression of God's care for pastors who faithfully serve His Church—often while carrying unseen burdens.

This report will give you a glimpse of the multi-faceted impact of your partnership. I hope you will rejoice with us in what the Lord has done, and is doing today.

Your support has helped provide life-transforming prayer experiences, coaching relationships, and spiritual support, assuring church leaders that they are not alone and that their first calling is to abide in Christ. Time and again, we have watched weary shepherds rediscover joy, clarity, and hope as they are strengthened in prayer, the word, and vital community.

As we enter 2026, we know that God advances His purposes not merely through better strategies, but through surrendered hearts—hearts that listen, obey, and generously participate in what He is doing.

To that end, we will continue to empower Acts 6:4 pastors across the world. We will give these leaders resources to encourage Acts 6:3 disciples. We will passionately envision the possibility of an Acts 6:7 awakening. And, with a heart to see this work continue for many years to come we are committed to: A Church for the Next Generation.

Today we are at a crucial moment as the rising generation, particularly Gen Z pastors, become more critical for the future of the Church.

Together, we can play a decisive role in whether these leaders will merely manage churches or lead powerful praying churches into the coming generations. Young pastors are entering ministry in a world

unlike any we have known. They are shepherding people shaped by anxiety, polarization, and spiritual skepticism. Yet they themselves carry a deep hunger for authenticity, humility, and the power of God. They instinctively know that programs alone will not sustain the Church. They are longing for something deeper: a ministry rooted in prayer, listening to God together, and depending fully on the Spirit's power.

When you support Strategic Renewal, you are investing in the spiritual formation of a new generation of pastors who are learning how to lead from their knees before they lead from their platforms. You are helping create environments where young leaders are mentored, equipped, and encouraged to cultivate churches that pray first and follow God faithfully.

Over the decades, we have witnessed a consistent truth: praying churches are resilient churches. Praying churches weather cultural shifts with biblical clarity that rejects compromise.

They bear lasting fruit not because of programs, personalities, or platforms, but because they are rooted in God's truth with prayerful dependence on Him.

We will continue to coach, provide biblical teaching on prayer, and offer experiences that are life-changing and ministry shaping. By focusing more effort on supporting young pastors we are strengthening churches that will remain faithful for decades to come—churches that will disciple children, reach neighbors, and send out future leaders grounded in prayer.

At Strategic Renewal, we are serious about ministering effectively to today's church but will increasingly invest our efforts in the church of tomorrow.

The Church of the future is being shaped right now—often quietly, in prayer rooms, small gatherings, and the hearts of young leaders saying “yes” to God.

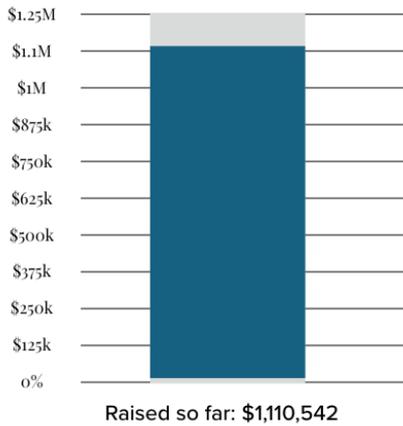

Thanks for all you do to make it possible.

Strengthening Our Shepherds

Strengthening Our Shepherds

For 25 years, Strategic Renewal has been living out this theme of healthy pastors leading healthy churches. Since our founding, the health and hope of pastors have been at the very heart of our mission.

From this passion, the Lord birthed The 6:4 Fellowship, which continues to grow and now needs the infrastructure and resources to care for and equip these leaders who are vital to the health and hope of the Church.

Over the course of the year of 2025 we set a large goal, and

trusted God “to do far more abundantly than all that we ask or think” ... and He did!

Thanks to your participation and prayers Strategic Renewal was able to raise over \$1 million to support local pastors around the country and the world! The amazing outpouring of generosity can only be attributed to the glory of God to do His work in His church.

Thank you for your part in this great goal and for your ongoing prayers that God will use it for the betterment of His kingdom.

"You not only hear good preaching, it's about the importance of devoting ourselves to prayer, but then we practice it too. We experience prayer."

"It has made a huge difference in my mind. I always consider myself to be a prayer warrior, but after this conference, I realize I have so much room to grow, and I'm so grateful for the experience I had here, and it really is going to change my focus."

"It's been such a blessing and also the reminder that we're nothing without the word and prayer. That's convicting in my own life because sometimes I get a little too busy."

"The times of worship and praying with other leaders from around the country has been so encouraging to my heart. And then, the reminder of the importance of prayer and daily spending time with the Lord, not just so I can export information to others, but so that I can experience transformation in my own heart. I'm very grateful for Strategic Renewal and for all of the work that they have put into investing into pastors like myself."

RESILIENCE

A STRATEGIC RENEWAL CONFERENCE

In March 2025 nearly 700 people joined us at First Baptist Church in Woodstock, GA to strengthen their fortitude at our annual conference, intentionally called Resilience.

Growing 6:4 Regions

In 2025, The 6:4 Fellowship grew by two regions, to now have fifteen regions across North America, thirteen of which function in the United States.

Each of these U.S. Regions hosts weekly prayer calls and bi-annual luncheons called RECLAIM, intended to revitalize a prayer focus and unity among area

churches. This serves as a great way to bring together pastors to pray, as well as to introduce new pastors to The 6:4 Fellowship.

This initiative has found great success over the course of this past year and looks to be a solid path to bless pastors in the future.

THE 6:4 FELLOWSHIP REGIONAL DIRECTORS ————— MAY 2025

The Pastor Perspective

“The 6:4 Fellowship has been such a blessing to me, I really believe that I probably wouldn’t be in the ministry if The 6:4 Fellowship wasn’t a part of my life.” — PASTOR MARCO

“It carries the pastoral context constantly ... There is a mentoring, reproducing passion in 6:4. ... You need 6:4 for the health of your ministry.” — PASTOR BILL

“There is nothing else like it! ... It just breathes life into everything else you’re involved in.” — PASTOR BRIAN

“If no one else knew I was a part of the 6:4 Fellowship it would be worth it for the change in me.” — PASTOR PAUL

Regional Prayer Calls

“The 6:4 Fellowship has afforded me a close-knit network of pastors that gather by Zoom each week; we pray for each other, understanding our unique struggles and dilemmas, and we celebrate our victories. The 6:4 Fellowship is truly a pastor-focused ministry to pastors by pastors, and it has been transformative in my life in ministry.”

— PASTOR DANIEL WHITE, KOUNTZE, TX

PRAYER CULTURE IMMERSION

The Lord blessed us with a third opportunity to pour into the next generation of church planters and seminarians, as we hosted our Prayer Culture Immersion again in Brooklyn, NY in July 2025.

This event has become a highlight of our year, as we see the lights turn on for around 50 men when it comes to the vital

foundation that prayer must have for a God-honoring ministry.

The Prayer Culture Immersion offers an all-expenses-paid trip, for a young pastor or pastor in training, to experience a vibrant prayer culture at a strategic 6:4 church alongside intentional training from The 6:4 Fellowship on prayer!

Renewal Coaches

The word is spreading and more and more churches are bringing Scripture-fed, Spirit-led, worship-based prayer into their local church through our Renewal Coaches! In 2025, our Renewal Coaches trained 13 different congregations through either Transforming Prayer Seminars, Prayer Summits, or both.

Often taking place over a weekend, our Renewal Coaching offers several different options, each combining profound, biblical teaching with a powerful, spiritual experience that will forever change the way your church prays.

Each option can also be catered to your congregation's specific area of need.

"It was undersold! ...seeing the way prayer is done using Scripture-fed, Spirit-led, Worship-based Prayer, ...seeing it actually: in action, in something like this, is a real exciting thing. ...and once people experience that, you know, it's gonna change them, and it's gonna change that ministry at our church."
