

STRATEGIC RENEWAL

# A Resilient Church for the Next Generation

*A Strategic Investment Opportunity* | 2026

## THE MOMENT GOD HAS GIVEN US

The Church of Jesus Christ stands at a defining crossroads.

Across North America—and increasingly around the world—we are witnessing something few anticipated even a decade ago: a renewed spiritual openness among the rising generation.

On college campuses, in prayer gatherings, and through unexpected encounters with Scripture, Gen Z is responding with a deep hunger for truth, prayer, and meaning.

Yet alongside this awakening is a sober reality: Many of these awakened hearts are not being rooted in healthy, prayer-saturated local churches.

Movements without foundations fade. Revival without shepherds fragments. History shows that every lasting work of God is sustained through resilient local churches—led by pastors devoted to prayer and the ministry of the Word (Acts 6:4).

Strategic Renewal exists for this very purpose: to strengthen the leaders who will anchor awakening into enduring fruit.

You have an opportunity to help ensure this moment does not fade—but becomes lasting fruit.

---

## WHY YOUR INVESTMENT MATTERS NOW:

### REVIVAL AND RETREAT

Many describe the current moment among Gen Z as one marked by both revival and retreat.

There is unprecedented openness to the gospel, renewed seriousness about Scripture, and a genuine hunger for prayer. At the same time, there is increasing disengagement from local churches, pastoral leadership, and spiritual accountability.

What God is doing among the next generation will only endure if it is anchored in healthy local churches.

That anchoring does not happen by accident. It requires pastors who are spiritually deep, biblically faithful, and personally shaped by prayer.

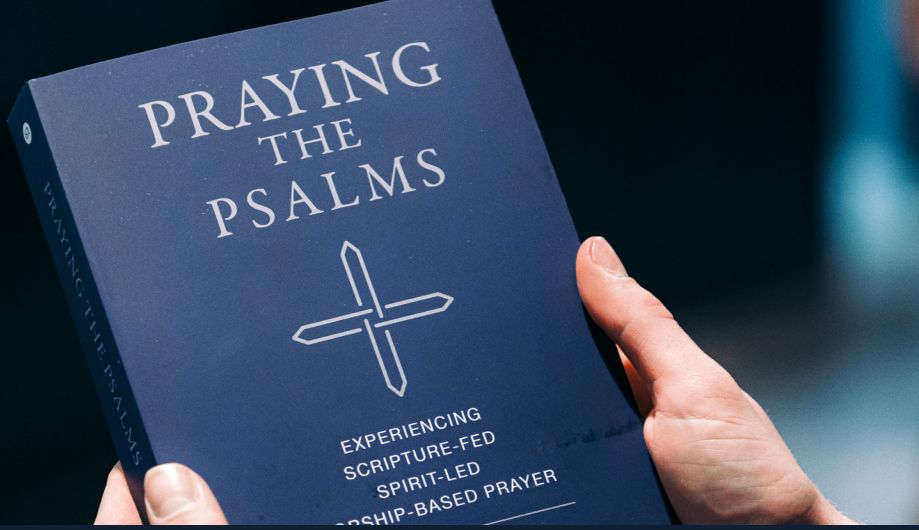

Your support forms leaders and churches who will shepherd this generation for decades to come. When you invest, you strengthen pastors and churches around the world through a clear, biblical focus on prayer and the Word.
