

STRATEGIC RENEWAL

A
RESILIENT
CHURCH
FOR THE NEXT
GENERATION

2026 MID-YEAR MINISTRY IMPACT REPORT

Letter from Our President

As you read this report, I hope you do so with a deep sense of gratitude and encouragement—not for what Strategic Renewal is accomplishing, but for what God is accomplishing through you.

Because of you, lives are being shaped, leaders are being equipped, and churches are being strengthened for generations to come. Through your prayers and generous support, God is using your partnership to help build what we believe is urgently needed in this moment: **A Resilient Church for the Next Generation.**

At a time when many are asking what the future of the Church will look like, you are helping ensure that the future is rooted in extraordinary prayer, unwavering dependence on the Holy Spirit, and a deep commitment to God's Word.

Because of you, thousands of collegiate leaders have received *Praying the Psalms*, introducing young Christ-followers to a Scripture-fed, Spirit-led approach to prayer. We dream of even more campuses and communities where students are learning to encounter God through His Word, deepen their walk with Christ, and develop spiritual habits that will shape their lives for years to come. The seeds being planted today will bear fruit for generations, and your partnership is helping make that possible.

Because of you, churches are being mobilized to pray intentionally for the next generation. Through the *21 Days of Prayer for the Next Generation* initiative, believers are seeking God on behalf of children, students, young adults, future ministry leaders, and future church planters. Every prayer offered is an expression of faith that God is still calling men and women to serve His Kingdom, and your investment is helping unite God's people around that shared hope.

Because of you, an increasing number of young church planters are being encouraged and equipped for lasting ministry through our Praying Leader Coaching. Through immersion experiences, these emerging leaders are being exposed to vibrant models of prayer-centered ministry, including places like the Brooklyn Tabernacle. They are seeing firsthand what can happen when a church is built upon extraordinary prayer and the ministry of the Word. More importantly, they are carrying that vision back into the communities they will serve for years to come.

And because of you, a vision for the Church is being passed to a new generation; one that measures success not merely by attendance or activity, but by transformed lives, awakened hearts, and supernatural gospel impact. You are helping cultivate leaders who understand that the greatest movements of God have always been fueled by prayer and sustained by the power of the Holy Spirit.

Every story you will read in these pages is evidence of God's faithfulness. Each testimony represents lives touched, leaders encouraged, and churches strengthened through your partnership. While Strategic Renewal serves as a steward of these opportunities, you are an essential part of the story God is writing.

Thank you for praying faithfully. Thank you for giving generously. Thank you for believing that the next generation is worth investing in today. Your partnership is helping create a legacy that extends far beyond any single ministry initiative. Together, we are investing in future pastors, church planters, ministry leaders, and Christ-followers who will carry the gospel forward for decades to come. The impact belongs to Him, the fruit is for His Kingdom, and the privilege of participating in His work is one we share together.

Because of you, the church of tomorrow is becoming more resilient today-rooted in Scripture, led by the Spirit, sustained through prayer, and positioned to bring the hope of the gospel to communities around the world.

Thank you for being part of what God is doing.

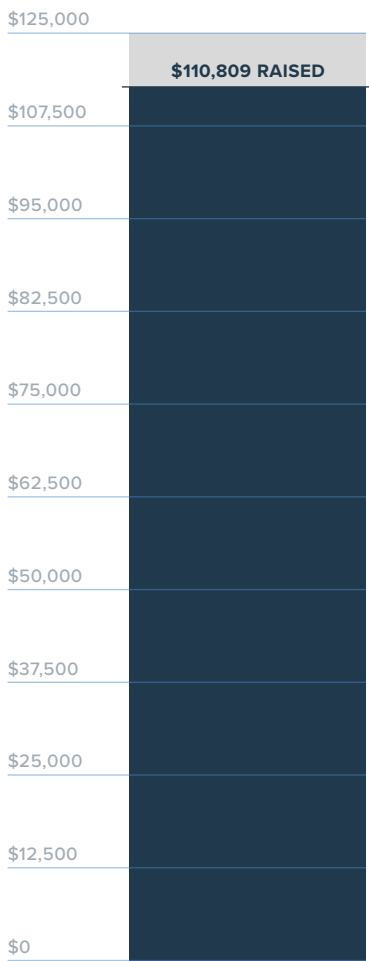

DANIEL HENDERSON

President/Founder—Strategic Renewal
Global Director—The 6:4 Fellowship

Together, We Are Building A Resilient Church

A RESILIENT CHURCH FOR THE NEXT GENERATION

Through the generosity, prayers, and faithful advocacy of our ministry partners, the 2026 6:7 Day campaign raised more than **\$110,000** to strengthen pastors, equip emerging leaders, and cultivate prayer-centered churches for generations to come.

This remarkable response will provide future pastors with transformative Prayer Culture Immersion experiences, helping them develop biblical convictions and practical tools for leading churches rooted in prayer and the ministry of the Word. It will also strengthen current pastors through The 6:4 Fellowship’s encouraging community, ministry resources, and leadership events.

Because of this generosity, thousands of next-generation leaders will receive prayer resources designed to deepen their relationships with God and prepare them to serve His Church faithfully.

Campaign funds will also help make the 2026 Resilience Conference accessible to more pastors and church leaders, providing encouragement, training, and renewal to those serving on the front lines of ministry.

The influence of these gifts will extend far beyond a single campaign or event. Pastors will be encouraged. Leaders will be equipped. Churches will be renewed. And future generations will be invited into ministries shaped by dependence on God.

Thank you for standing with Strategic Renewal in this mission. Together, we are trusting God to continue building a resilient, prayer-centered Church for the next generation.

Collegiate Day of Prayer

Because of the generosity of faithful partners like you, Strategic Renewal placed 5,000 copies of *Praying the Psalms* into the hands of college students at this year's Collegiate Day of Prayer at Liberty University.

As thousands of students gathered to seek God together, they received more than a book. They were equipped with practical tools to help build a lasting, Scripture-centered prayer life.

Along with *Praying the Psalms*, students were given access to a guided prayer tutorial and a seven-day prayer challenge designed to help them immediately begin praying through God's Word.

As you may know, this opportunity came during a remarkable season of spiritual hunger that young adults are currently experiencing.

Across the nation, students are expressing a growing desire to know God, gather for prayer, and pursue a faith that is genuine and deeply rooted in Scripture.

Through this initiative, Strategic Renewal was able to meet that hunger with trusted, biblical resources.

The impact of these 5,000 books has the potential to extend far beyond one event.

Each student now has a tool they can use with friends, roommates, classmates, churches, and campus ministries.

We celebrate what God accomplished through this effort and are deeply grateful to every donor whose prayers and generosity helped equip the next generation to seek God's face.

Renewal Begins with Prayer

When a pastor returned to Runcorn Christian Church in Brisbane, Australia, he found a congregation in a difficult season. Years of decline had taken their toll. The senior pastor was exhausted, staff members were resigning, and the church needed renewed spiritual strength and direction.

Rather than beginning with a new program or strategy, he called the church back to prayer.

The congregation launched the year with 21 days of prayer, gathering three times each day to seek God together. From there, they established consistent rhythms of corporate prayer and began rebuilding a culture of invitation, dependence, and faith.

As prayer became a priority, signs of renewal began to emerge.

People grew more spiritually engaged. Leaders found fresh encouragement. The congregation developed a deeper hunger for God's presence and a renewed desire to reach their community.

This story reflects the heart of The 6:4 Fellowship: equipping pastors to lead churches that are grounded in Scripture and devoted to prayer. Through coaching, resources, relationships, and practical training, ministry leaders are discovering that lasting church renewal does not begin with greater activity—it begins by seeking God.

Your generosity helps make this kind of transformation possible. Because of your partnership, pastors around the world are receiving the encouragement and tools they need to persevere, lead with spiritual strength, and cultivate praying churches.

PASTOR NICK BOOTH ————— RUNCORN CHRISTIAN CHURCH,
BRISBANE, AUSTRALIA

The Pastor Perspective

Pastors throughout The 6:4 Fellowship have used our latest 21 Days of Prayer resource to lead their congregations in intentional intercession for the next generation.

Building on that shared season of prayer, churches across the Fellowship have also committed to covering college-age students, and the next generation of pastors and ministry leaders, in prayer throughout the entire year.

By dedicating specific months to focused intercession, these churches are asking God to strengthen students' faith, guide their calling, and prepare them to become faithful leaders in the years ahead.

"21 Days of Prayer for the Next Generation was a great book for me, my church, and my family. It has given us a new passion to pray for the next generation... I would encourage anyone to not only read it for yourself, but get involved with reading it with your church." — PASTOR BILLY

Regional Director Retreat

In May, most of our Regional Directors, who are normally spread out across the country, got together for a retreat that included refreshment, camaraderie, and planning for the months ahead.

"It's the greatest time of all when the guys look forward to coming together to fellowship, to share the love of Christ, their love for each other, and to continue to work on our vision of helping pastors become praying pastors who have praying churches."

— DENNIS HENDERSON
NORTH AMERICAN DIRECTOR OF THE 6:4 FELLOWSHIP

Empowering Women to Strengthen Praying Churches

Strategic Renewal has launched **6:3 Women**, a new initiative created to equip women to become prayer-shaped influencers who faithfully support their pastors and strengthen their local churches.

Women often possess a deep desire to see prayer flourish within their congregations, yet many need encouragement, biblical training, and a community to help them turn that desire into meaningful action. Through Scripture-fed, Spirit-led, worship-based prayer, 6:3 Women helps women deepen their personal relationship with God while discovering how they can serve as trusted advocates for prayer within their churches.

This initiative provides women with practical resources, monthly online prayer gatherings, transformational coaching cohorts, devotionals,

workshops, and opportunities to connect with like-minded women across the nation.

Participants are equipped not to compete with or place additional pressure on church leadership, but to prayerfully encourage their pastors, promote unity, and help cultivate a spiritual environment in which prayer becomes a shared way of life.

Through 6:3 Women, Strategic Renewal is investing in women whose influence can extend throughout their homes, ministries, and congregations.

Donor support makes it possible to reach, train, and empower these women—creating a growing network of faithful leaders who strengthen pastors and help churches become increasingly prayer-saturated, spiritually healthy, and dependent upon God.

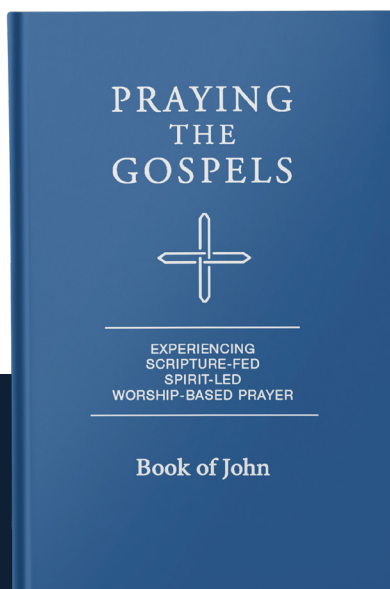

Praying the Gospels

Because of the faithful support of our donors and ministry partners, *Praying the Gospels: John* is now available to help individuals, small groups, and entire churches experience a more biblical and life-giving approach to prayer.

Journeying through all 21 chapters of John, this new resource pairs clear Scripture summaries with practical prayer guides that teach readers to seek God's face, follow the prayer pattern Jesus gave His disciples, and respond personally to the truth of His Word.

More than another devotional book, it is a tool for moving believers beyond routine prayers into greater consistency, fervency, and intimacy with Christ.

Your generosity is helping Strategic Renewal create accessible, Scripture-fed resources like this one that equip people to pray with confidence and experience the transforming power of God's Word.

Reading the story of Jesus' life, death, and resurrection while praying God's Word back to Him in praise and dependence has been such a rich experience! – LORI ANN

Strategic Renewal has become an invaluable resource for pastors and churches in this endeavor for the past quarter century. The latest offering—Praying the Gospels, the Book of John—is yet one more example of the priceless nature of these resources. – PASTOR CHRIS

This is a great tool for personal and corporate prayer. – PASTOR MICHAEL

Prayers for You

Every week our staff team prays for our partner pastors and churches. We also set aside time to pray for you, our ministry partner. It is an honor to pray for you as a staff.

THE RESILIENCE CONFERENCE IS EXPANDING IN 2026 —AND YOUR ENTIRE MINISTRY TEAM IS INVITED!

Join us October 13–15 at Champion Forest Church in Houston, Texas, for three powerful days of biblical teaching, worship-based prayer, practical equipping, and refreshing fellowship.

This year's outstanding speaker lineup includes H.B. Charles Jr., Alistair Begg, Jarrett Stephens, R.T. Kendall, Robbie Symons, Thai Lam, Daniel Henderson, and a special video presentation from Joni Eareckson Tada. Shane & Shane will also lead heartfelt worship and present a special opening-night mini-concert.

New this year: Resilience offers dedicated workshop tracks designed to strengthen everyone on your ministry team. Pastors and preachers, prayer leaders, worship pastors and teams, women in ministry, disciple-makers, Spanish-speaking leaders, and those investing in the next generation will receive practical, role-specific encouragement.

Bring your whole team and return home renewed, united, and equipped to build a resilient, prayer-powered church.
