

8 Reasons To Invest In God's Work Through

STRATEGIC RENEWAL

IT IS A BIBLICAL INVESTMENT

because we passionately serve and
strengthen the local church

The local church is God's plan for the ultimate accomplishment of the Great Commission. Disciples are ideally nurtured and mobilized for ministry in the church. Ultimately, our parachurch evangelistic efforts, compassion projects, and social justice initiatives will fail to bear lasting fruit unless believers are connected to word-centered, prayer-infused congregations—like the ones Strategic Renewal is strengthening.

JESUS' ONE DESIRE.

"He said to them, "It is written, 'My house shall be called a house of prayer.'" MATTHEW 21:3 (JESUS, QUOTING ISAIAH 56:7)

THE DISCIPLES' ONE REQUEST.

"Lord, teach us to pray..." LUKE 11:1

THE APOSTLES' FIRST PRIORITY.

"but we will give ourselves continually to prayer and to the ministry of the word." ACTS 6:4

IT IS A STRATEGIC INVESTMENT

because by changing the way people pray — families, churches and communities are transformed.

Every failure is ultimately a prayer failure. Strategic Renewal has 20+ years of high-impact ministry of equipping hundreds of thousands of believers to experience scripture-fed, Spirit-led, worship-based prayer; Prayer that is not just therapeutic but transformational. Each year scores of thousands are helped through our wide array of resources including conferences, prayer summits, books, small groups studies, and various other opportunities for personal transformation.

IT IS A _____ MULTIPLYING INVESTMENT

because every pastor we serve
influences scores, hundreds,
even thousands of people.

Each year we equip thousands of pastors through weekly online resources, regional and national events, and on-line coaching. Additionally, our global pastors' network, *The 6:4 Fellowship*, connects pastors to training and vital pastoral community with one another in every state, every Canadian province, and scores of nations. Through the biblical influence of these leaders, hundreds of thousands of believers are served all across the globe.

WHAT IS THE 6:4 FELLOWSHIP?

IT IS AN URGENT INVESTMENT

because we are in a serious battle for the health and influence of pastors and churches.

Approximately 4,000 new churches are planted in the United States annually while 6,000 to 10,000 churches in the U.S. are dying each year.ⁱ This means around 100-200 churches will close this week.ⁱⁱ Additionally, an estimated 1,300 pastors are fired by their congregations *every month*, and another 1,200 quit due to stress and burnoutⁱⁱⁱ. Strategic Renewal “helps pastors succeed God’s way” and is one of the premier ministries in our nation that is facilitating leadership and congregational health in thousands of churches.

SUPPORTING CHURCH LEADERS IN THE SPIRITUAL BATTLE.

In this clip, Strategic Renewal’s Board Chairman, Jim Maxim, shares about the deep spiritual battle that all pastors face, and how transformation occurs when we gather together to pray.

IT IS A FUTURE INVESTMENT

because we are raising up a new generation of dynamic church leaders for the church of tomorrow

Although the Millennials and Generation Z have drifted from the faith, we are engaging and coaching hundreds of leaders under 40 who can turn the tide. In addition, our new residency program will place carefully vetted seminarians in our 6:4 Fellowship churches for essential preparation for a new kind of prayer-empowered church leader in the coming decades.

EQUIPPING THE NEXT GENERATION WITH A CONVICTION OF PRAYER

Pastor Kyle Mercer shares his testimony on how Strategic Renewal has equipped him to make prayer a primary pillar in all that their church does.

IT IS A HOPEFUL INVESTMENT

because we are elevating the greatest need in our nation today—Jesus Christ living through a revived church

Our nation is in desperate need of an extraordinary new day of supernatural gospel impact. Historically, deeply-rooted spiritual revivals in the church have sparked “awakenings” in the culture that have reversed the tide of moral and societal decline. Every such revival was rooted in movements of extraordinary, united prayer in the church. While we all pray for the fruits of this kind of awakening, Strategic Renewal is growing the roots of such a movement. We will not see fruits without these roots.
