Letter From The President

We are all too familiar with the current challenges of the day - both outside and inside the church. We live in unprecedented times of moral revolution, societal upheaval, pervasive fear, deep seated distrust, and hostility toward people of faith. Pastors are navigating uncertain waters as they lead the church. Yet, through it all, God is calling His people back to a deep, determined trust in His word and Spirit.

NOW MORE THAN EVER!

Now more than ever, pastors matter. The local church matters. A radical dependence on Christ's sufficiency matters. And, especially now, we feel that what we are doing to serve the church really matters. Apart from a revival in the church and a spiritual awakening in our culture, there really is little hope for change.

As we look to 2022, we are believing the Lord for supernatural grace to continue to cultivate the "root system" of spiritual awakening. We are all praying for the "fruits" but must resolutely cultivate the "roots." Because of your prayers and support we believe the Lord will enable us to embrace this pursuit and a variety of expressions.

EXPONENTIAL EXPANSION OF OUR INTERNATIONAL IMPACT

In 2022 we will be inviting thousands of pastors into The 6:4 Fellowship via a variety of strategic partnerships with other ministries. Len Crowley, our International Director, has carefully put together an offering of over \$500 worth of vital, biblical resources that will invite and equip international church leaders toward a resolute commitment to "prayer-and-word-powered-ministry" while also connecting them to the existing resources and relationships available in The 6:4 Fellowship.

ACCELERATED GROWTH OF OUR VITAL COACHING MINISTRY TO CHURCH LEADERS

In recent years over 600 church leaders have been equipped for a deeper life of prayer and fruitful scripture-fed prayer leadership in their churches. In 2022, through some accelerated communications efforts, we hope to reach an unprecedented number of pastors who will influence scores, hundreds, even thousands of lives. We will be adding additional pastors/coaches to help facilitate the 90-day Praying Leader cohorts and accommodate more groups. (One major denomination reached out recently indicating their desire to fill 25 coaching groups in the coming years) We also plan to host two Praying Leader on-site intensives. Lord willing, we will offer more robust coaching options on pastoral marriage and ministry endurance.

DEEPENING OF LIFE-GIVING RELATIONSHIPS AMONG 6:4 PASTORS

In 2022 we will be rolling out a new 6:4 Fellowship website that will provide even more resources while facilitating regional connections among church leaders. Under the leadership of our new National Director, Dennis Henderson, this will include regular regional prayer calls and adding new Regional Directors for encouragement and coordination. In January we will be launching a new two-week coaching conversation, hosted by our 70+ regional leaders in communities around

the world. We are calling it “The Power of Yes: Pastoring By Design.” We will facilitate some strategic regional connections at the national gathering in Houston in March. We want to provide additional funds to help facilitate the Regional Directors ministry and to underwrite costs for regional prayer summits. We will sponsor regular “Global Symposiums” that will feature regional break-out rooms for discussion, fellowship, and prayer. We also hope to host at least one pastors and wives retreat for vital refreshment in their marriages and ministries. Leaders are hungry for these deep relational, prayer-infused connections.

RELAUNCHING OF OUR MINISTRY TO THE PERSON IN THE PEW

In 2022 we will be implementing new strategies to catalyze prayer for individuals and churches with the hiring of our new National Director for Strategic Renewal, Justin Jeppeson. We will continue a regular rhythm of Facebook Live prayer times. God willing, we will mobilize a dynamic speaking team to conduct Transforming Prayer weekend events and prayer summit experiences in churches across North America. We plan to release new resources to mobilize church members in prayer, including *21-Days of Transforming Prayer*, *Praying the Psalms (Volumes 1-3)*, revised small-group studies, and the development of a new, but expressly biblical, discipleship curriculum based on Acts 6:3. These resources will empower believers to live a reputable, Spirit-filled, and truly wise life – leading to a greater engagement of ministry in their local church. We are also excited about the release of our children’s version of *Transforming Prayer*, titled *Emma Learns to Pray*.

YOU MAKE IT POSSIBLE!

Thank you for all the ways in which you are used by our Lord to make these things possible. We know you pray for us and we count it a joy to regularly pray for you in our weekly staff meetings. Your generous financial contributions support all of these initiatives--- and more. As we look to 2022 we are hopeful because the power of the light of Jesus Christ is greater than all the present darkness of our world.

Let’s keep praying, partnering, and participating in growing the roots of revival in our lives and churches with a confident faith that He might produce world-shaking fruit through the power of the gospel of Jesus Christ.

Global Director, The 6:4 Fellowship

About Us

CHURCH IN CRISIS / 1997

In 1997, Strategic Renewal was birthed out of the overflow of Daniel Henderson's pastoral ministry in the local church. Daniel was no stranger to church tragedy in those days. Twice he followed a predecessor who morally disqualified himself and left behind a broken and dismayed group of people. Through these experiences, Daniel learned valuable principles for congregational turnaround and saw how prayer could restore and ignite the church to become an agent of transformation in the community.

FANNING THE FLAMES / 2007

In 2007, God turned a growing passion into a life calling for Daniel Henderson. Daniel's church sent him out as a "missionary" to ignite fires of revival in churches across the country. This began a season of intense writing, travel, and speaking, spreading the vision for what God could do through healthy, praying churches. Congregations across the country were hungry for the message of renewal and sought Daniel out as an authoritative and helpful voice.

MULTIPLYING THE MOVEMENT / 2010

In 2010, with a collection of 50 pastors from around the country, we began a pastoral fellowship centered around the supreme priorities of the early church leaders, "But we must give ourselves to prayer and to the ministry of the word" (Acts 6:4). The 6:4 Fellowship serves to call pastors to rise above the pragmatism, strategies and social trends of our day, and calls leaders back to the things that bring lasting and supernatural impact.

INCREASING THE IMPACT / 2021

Today, Strategic Renewal and The 6:4 Fellowship strive to facilitate the strengthening of the Church's roots, so that we may once again see the supernatural fruits of an awakening in the Church as was seen in Acts 6:7. In order to continue this work, we have appointed a devoted National Director, and created an International Director position, for The 6:4 Fellowship, as our ministry continues to grow in numbers and regions across the U.S. and around the world.

VISION STATEMENT

Growing the "root system" of spiritual awakening by mobilizing praying people who support praying pastors who lead praying churches for supernatural gospel impact.

MISSION STATEMENT

Strategic Renewal Exists to ignite the heart of the church through personal renewal, congregational revival, and leadership restoration for Christ's glory.

The 6:4 Fellowship

A New National Director

With the reorganization of Strategic Renewal and The 6:4 Fellowship, this summer Dennis Henderson was chosen to assist Daniel as the National Director of the 6:4 Fellowship. Dennis has been in pastoral ministry for 55 years, and has been the Lead Pastor of 5 churches. He has taught at three different colleges, and has authored a book entitled *Clean Up on Aisle 2*.

With the addition of Dennis in the National Director position the members of The 6:4 Fellowship will be better served through his capacity to devote time into organizing and equipping our Regional Directors who will have increased support to communicate and edify the pastors in their respective regions.

From the Desk of the National Director

As 2021 closes, our goal of increasing pastors' relationships begins with doubling our Regional Directors by the end of the year. This will provide increased encouragement, connection, and service to our members. Regional prayer summits as well as introductory meetings for new pastors, and monthly Zoom prayer meetings will be provided by the regional directors with the help of the National Director. This addition will give us the opportunity to have specific breakout sessions, for greater clarity and fellowship, at all of our national and international gatherings both online and in person.

The Eternal Value of Fellowship

“It's no exaggeration to say that my association with The 6:4 Fellowship has saved my ministry life on a number of occasions, you know the comradery I have found there with brothers in ministry with the same priorities, brothers who build me up when I'm hurting, and who I get to do the same for in return, I just haven't found anything else like that across the ministry spectrum. Their listening ears, their genuine care and compassion have both bailed me out, and built me up more than I can count.”

The Praying Leader course

Once again, The Praying Leader coaching was the driving force of our coaching resources this year, as we continue to train pastors and leaders to lead their congregations in Scripture-fed, Spirit-led, Worship-based Prayer.

"One of the most important things that I have received from The 6:4 Fellowship is the prayer coaching... that has equipped me and encouraged me on how I can go about developing a vital prayer ministry, and a prayer atmosphere, throughout all of the parts of the life of our church."

Ministry Couples Coaching

Strategic Renewal and The 6:4 Fellowship continue to prayerfully discover ways to help pastors stay in the ministry and to lead their churches to seek God's face. Out of this sprung a desire to help pastors with the challenges of their marriages. Dennis and Billie Henderson, who have fifty-five years of pastoral experience (within fifty-six years of marriage) and have spoken to, and counseled, hundreds of ministry couples in fifteen countries, launched our first ministry couples course in April.

"Ministry Couples Coaching was well-invested time into our marriage. In ministry, many times you seem to only have 'leftovers' for your marriage. This coaching course helped us to put our marriage above ministry and get the support and care we needed. So thankful for Billie and Dennis' heart. You guys are so kind and caring!"

Study: The Deeper Life of Women in the Bible

In January of this year, Brenda Brown led a women's Bible Study from her book *The Deeper Life of Women in the Bible*. She guided a handful of women through eight core questions and illustrated answers to these by using eight women whose actions are recorded in the Bible, demonstrating God's design for these areas of life and thought.

"The Deeper Life study helped me prioritize how I want to live my life. In the midst of serving in ministry and my personal life, it's often hard to think about goals. The study brought my focus back to what is important and how I want to live my life for Jesus."

New Resources

This was a year of expanding on resources that were in the works and that had already proven to be making an impact. Many of these resources are recommended to be used together, such as *21 Days of Transforming Prayer* teaches the model of *Scripture-fed, Spirit-led, Worship-based Prayer*, and then *Praying the Psalms* will help build that model into a regular rhythm of seeking God's face in this way.

International Partnership

A NEW INTERNATIONAL DIRECTOR

As we have watched more and more international churches be impacted by what Strategic Renewal and The 6:4 Fellowship are doing, we were compelled to appoint a Director to help lead this international impact, specifically through The 6:4 Fellowship. So, in April of this year, Len Crowley stepped into the role of International Director for The 6:4 Fellowship and began an initiative to grow The 6:4 Fellowship's presence internationally.

GROWING THE ROOTS OF AN ACTS 6:7 REVIVAL

Historically, every work of the Spirit of God and His Word that changed the spiritual landscape was rooted in movements of extraordinary, united prayer. Knowing this, The 6:4 Fellowship has embarked on a radical and ambitious expansion. Together with a host of Ministry Partners and working through a "network of networks," we are asking God to introduce the ministry to 100,000 pastors and church leaders in the next 1,000 days (100,000 Agents of Awakening). To that end, translations of some of 6:4's key resources are already underway in Spanish and Russian with other languages to follow.

We have already experienced significant enthusiasm among the Partners. For example, two groups of over

5,000 pastors in the Philippines and nearly 20,000 in Uganda have recently been introduced to the 6:4 commitment to prayer and the ministry of the Word and the value of 6:4's community and capacity building materials, tools, and training. Others, both in North America and overseas, are beginning to hear about The 6:4 Fellowship. Many are seeking a means of starting a relationship with other like-minded pastors. We want to throw open the doors. Now is the time!

If you would like further information or a copy of the proposal describing our international initiative, Growing the Roots of an Acts 6:7 Revival, write to Len Crowley at len@64fellowship.com.

"Working with Daniel and his team was not just a real discipleship for me in how a pastor leads a prayer intense life, but how to develop a culture of prayer in the local church."

KIKÉ TORRES Horizonte Querétaro | Querétaro, Mexico

"When I left my former state in Queensland, and took my new position here in Tasmania, just a little over two years ago, I left most of the support of my friends and my family up there. And, you know, we've traveled some 2,200 km, that's about 1,400 miles... The 6:4 Fellowship has given me a network of pastors to connect with and to lean into and find the support that I need."
